

School District 8
Kootenay Lake

I am going to Kindergarten!

This is Redfish Elementary.

This is my school!

On school days, I will get dropped off at school in the morning or take the school bus.

This is the door to go into my school.

I will hang up my coat and backpack.
I will have inside shoes I keep at school.

During Kindergarten, we will learn so much together!
We will have free play, learning activities, circle time,
fun art activities - and so much more!

My teacher and other adults are there to help me.
At the office, the principal and secretary can help
us, too.

I need to ask before I go to the bathroom.
The adults need to know where I am.

And I will make sure to wash my hands!

I will eat snacks and lunch at school.

At recess and lunch time, I will play outside on the playground.

Some days we will play in the gym.

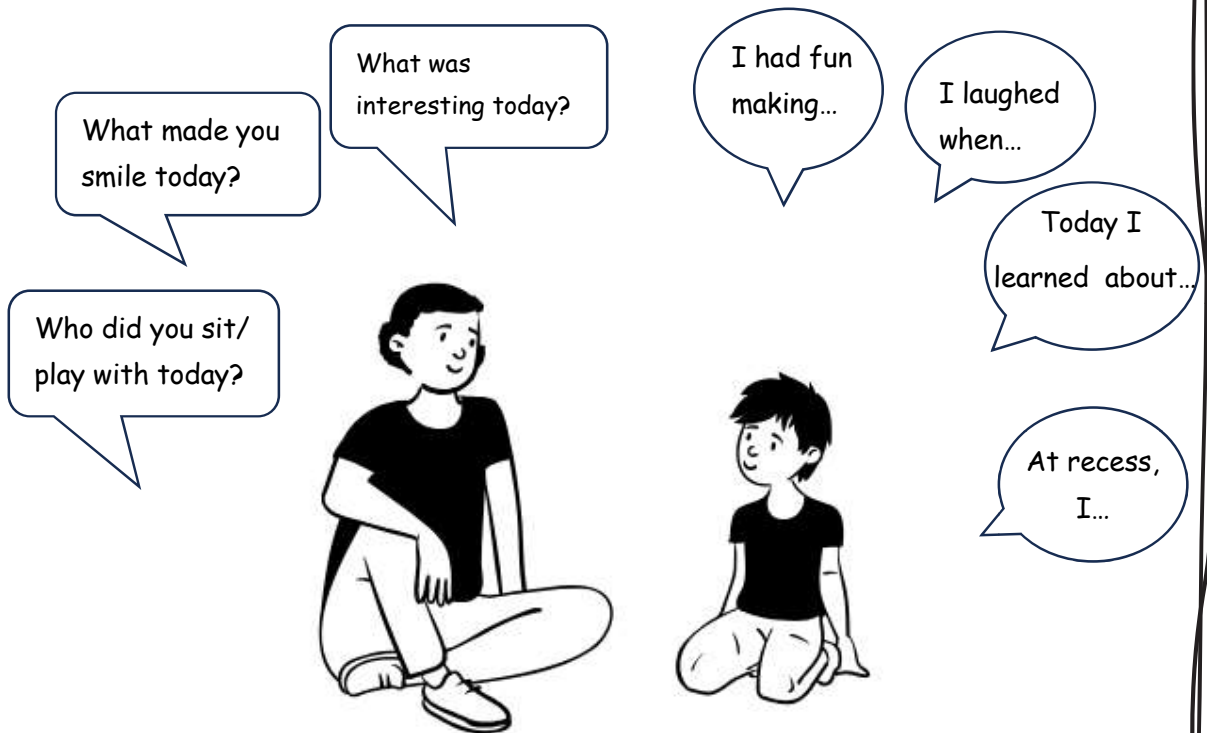

Our school has its own library! We go there to look at and sign out books to read at home.

When the school day ends, I get picked up or line up for the bus.

At home, I can talk about what I did at school.

I will meet new friends at school!

If I feel excited or nervous about going to
Kindergarten, that's okay.
I can use courage, and I will have fun at school.

Kindergarten is a new adventure!
