# ASPEN GO

The Family and Student Portals are accessible on desktop, smartphones and tablets through **Aspen Go**.

Users with the roles: **Parent/Guardian – Aspen Go** and **Student – Aspen Go** can access Aspen Go. The URL remains the same as your access using a desktop or laptop

Aspen Go automatically adjusts to the screen size of your device or browser window, so your experience may differ slightly from the examples shown. Additionally, students and families will see different screen layouts tailored to their specific roles.
